HCCA Tuition, Fees, and Miscellaneous

Payment Policy * 2016 -- 2017

Registration Fee: The registration fee is \$500.00 per student. The fee is **\$300.00** (\$200 discount per student) **if paid before April 15th**, **\$400.00** (\$100.00 discount per student) **if paid between April 15th and April 30th**. There is no discount available after May 2nd. International student's registration is \$675 per year. Full payment of the registration fee is required at the time of enrollment.

Required School Insurance: Secondary school accident insurance purchase has been mandated by the Diocese of Amarillo. Please note that this is a secondary insurance. Parents are required to carry primary insurance for a student to be eligible to participate in sports. If an accident should occur, this would help with the deductible on the primary insurance. The policy provides \$25,000 medical and \$25,000 life insurance. The average cost per student is \$21.00 and **is included in the registration fee.**

PowerSchool: PowerSchool is the school management program that allows family access to daily attendance, daily grades and assignments, progress report and report card grades. This annual cost is \$30 per student, which covers the yearly school fee paid by HCCA and **is included in the registration fee.**

Harrington Consortium: Because Holy Cross Catholic Academy's library is a member of the Harrington Consortium, our card holders can use all the services of other members and have access to all available materials. The cost is approximately \$25.00 per student and **is included in the registration fee.**

Athletic Fees: The athletic fees are used for coaching stipend, transportation, athletic director stipend, officials, facilities, etc. The athletic fee for each sport is **to be paid in full before the first scheduled game.**

Volleyball	\$ 185.00

Senior Graduation Fee: The graduation fee of \$125.00 is for seniors only and covers the cost of the graduation expenses, the diploma and cover, and cap and gown. The fee does not cover the cost of senior rings and graduation invitations. **Payment for this fee is due by March 1st.**

Fundraising: The fundraising fee is **\$500 per student** per year. If a student fails to earn the required \$500 with fundraising, the balance is added to the family’s FACTS account when the deadline is passed. Two “buy-out” fundraising fee options are available to families who would rather not participate in the fundraising activities. The first option is one payment of \$600 due by August 31. The second option allows a fundraising fee of \$50 to be added to the 12 monthly tuition payments for a total of \$600.

Service Hours: The tuition does not begin to cover the total cost of educating each student. Service hours are a necessary and integral part of keeping tuition at a reasonable level and keeping the school operating within its budget. Each family is required to work 30 hours at \$25.00 per hour. If registration is paid in full before April 15th and tuition contract signed, the number of required service hours will be reduced to 15 hours. Each unworked hour will be billed at \$25.00 per hour and due on the last statement for the school year.

Full Registration Fee Paid	Hours Required
before April 15	20 hours required per family
After April 15 and before May 2	25 hours required per family

A completed verification of registration form is required to receive this scholarship. There are tuition discounts for multiple-student families. Monthly, quarterly, and bi-annual tuition payments are paid through FACTS, an online tuition collecting program. **There is a yearly fee of \$45.00 payable to FACTS with finalization and activation in May.**
